

# **3 Easy Steps**

to have a caricature drawn from photos

## **1. SELECT YOUR PHOTOS AND INFORMATION.**

### **PHOTOS**

The quality of the caricature depends on the quality of photos that you provide.

### **TIPS for the best results**

- Two or more photos of the victim are needed
- Select photos with a smile where possible
- Select photos that show as much detail of the “victims” face as possible (Head and Shoulders)

### **INFORMATION**

Information needed may include name or nickname, eye and hair colour.

Hobbies and interests or character traits etc.

## **2. FILL IN DETAILS ON THE BACK PAGE**
